

WHAT IS YOUTH VOICE?

'The voice of young people voiced, listened to, and valued.'

'The bridge between ambassadors and SLT.'

'Not a tick box exercise. Young people should have a 'personal' say in what impacts them.'

“ Nothing for us without us! ”

'Should be inclusive of all young people. And therefore should not be taken for granted.'

**WHY IS IT
IMPORTANT?**

'Children
are the
future
adults.'

'Young
people are
under-
estimated.'

'It gives young
people a chance
to learn how to
express
themselves.'

'Listening to us
will make you a
better teacher
and us, a better
learner.'

'A relationship
between
imagination and
reality where
middle ground
can be found.'

'Listening to
young people
can help make
you more
inclusive.'
